extensive range

enduring style

The right selection of tap and mixer fittings will enhance the value and style of any kitchen. It is therefore of little surprise that the Cobra kitchen range can be found in the most exclusive residential and commercial properties in South Africa.

The Cobra kitchen range epitomizes modern luxury and is a fusion of cutting edge technology and product design, embodying the elegance of international styling

kitchen range

COBRA COMMITMENT AS A LOCAL MANUFACTURER

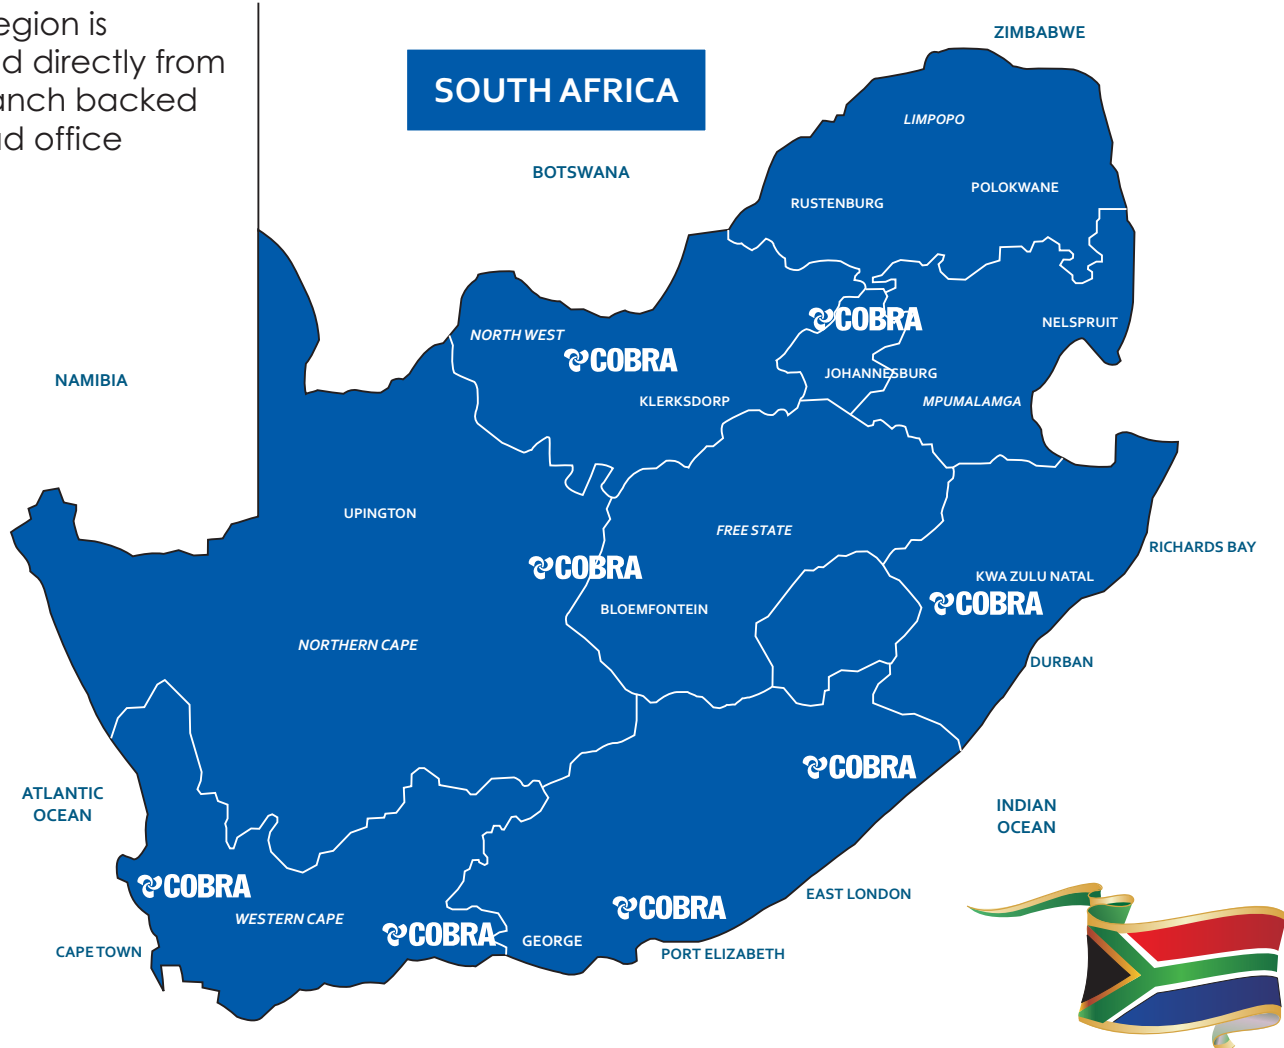

- Cobra Watertech is the only manufacturer of plumbers brassware in South Africa.
- Cobra is committed to employing South Africans.
- Our ranges are designed and manufactured specifically for use in harsh South African water conditions. Service back up is offered and spares will be available for many years.
- Cobra is part of the Dawn Group and has B-BBEE status.
- Cobra is ISO 9000 listed and carries the SANS / SABS mark.

UNIQUENESS

- SA's leading Brand adds value to investments and is desired by consumers.
- Good value for money, high quality products relative to the price paid. Stores can sell with confidence.
- Wide range price selection and styles...all from one supplier. Reduce transactions and costs.
- Distribution and stockholding nationally.
- Technical, selection and on site advice nationally.
- In house reticulation design service nationally.
- Spares and upgrades for many years after purchase.
- Approvals SABS and JASWIC (new water regulations).
- National backup and servicing.

AFTER SALES BACKUP

Each region is serviced directly from the branch backed by head office
