SOFT CLOSE ROMAGNA RECYCLING BIN + BIO WASTE BIN

85L - 600mm UNIT

This waste bin unit has five separate bins for recycling; the two larger bins have a capacity of 35 litres each and the two smaller bins have a capacity of 7,5 litres each.

The fifth bin is the bio-waste bin which has a 5L capacity and fits into one of the larger bins.

- Suitable for fitting to doors that are 16-20mm thick.
- Bin slides out leaving the lid inside the cupboard.
- The steel lid is suitable for storage of small items such as sponges and gloves.
- The bin is encased in a metal frame for fitting to the door and sides of the unit.
- The bin pulls out on two full extension soft closing runners.
- Metal frame for fitting to the door and sides of the unit.
