## ELECTRICAL & LIGHTING - POWERDOCKS

### POWERDOCK - BLACK & SILVER MK3 SINGLE USB CHARGER

RPD6050PDOMK31C

#### General Information

The new PDO Mk3.1C is an advanced pull-up unit that has been designed to incorporate all the key features from our most popular products in the range. This stylish concealed power outlet system, with four power sockets (2 X SA 3 pins, 1 X SA 2 pin and 1 X New SA 3 pin), can be mounted vertically, horizontally, or even upside down. It neatly retracts into the mounting surface when not in use and has the ability to retract with power still plugged in. When you want to connect appliances to power, simply pull it up and it automatically locks into position, ready for use.

#### Specifications:

- 2 x SA 3 pin
- 1 x 2 SA pin
- 1 x New SA 3 pin
- 1 x Single USB 2.0 Charging Port
- 2m SA Input Cable

#### Features:

- Single charging USB located in body of unit.
- Swiveling Cable Input.
- Designed so that plug tops can remain connected to the unit when in the down position.
- Chrome handle doubles as cable exit for attached plug tops.
- Illuminated locking clip doubles as a "power on" indicator.
- Blank top.
- Cutout size: 95mm or 3 3/4"

Colour: Black/Silver

### POWERDOCK - ROTADOCK FLUSH - SILVER

RPD6050ROTADOCK

#### Specifications:

- 1 x SA 3 Pin Socket 16A
- 1 x SA 2 Pin Socket Round 16A
- 1 x New ZA 3 Pin Socket 16A
- USB Charging Ports A&C 3.5A shared.
- 2m SA Input Lead

#### Features:

- User-friendly with shuttered power outlets
- Powder coated aluminium escutcheon.
- Easy installation
- Four ratchet clips quickly and easily slide on to fasten the unit in its mounting cut-out.
- Flush mounting: When closed, the unit sits almost flush with work surface to minimise obstruction
- Raised Interface, the unit is raised above the mounted surface to reduce spill fluid ingress when in the open position.

#### Colours:

- Silver

#### Voltage:

- 250V AC at 50hz

#### Current:

- 15 Amp Max  
3300 Watts
